Re enhancement of octroi duty on cigarettes and levy of fresh duty on oils in Koratagere Minor Municipality

In forwarding herewith in original the connected records received from the President, Minor Municipal Council Koratagere, on the above subject, I have the honor to state as follows -

The President states that the levy of octroi duty of one anna on every thousand cigarettes has been given effect to on the strength of the resolution of the Council dated 22-2-1939 without obtaining specific sanction of Government thereto in the matter

In order to improve the poor finances of this Municipality the Council have resolved at their meeting held on 10th September 1941 to enhance the existing rate of the levy of octroi duty from one anna to two annas on every 1000 cigarettes imported into the town limits and to the levy of fresh octroi duty of one anna on oils except kerosine oil. He seeks sanction of Government to regularise the levy of the existing rate of octroi duty on cigarettes and to the proposed enhancement of the duty on that commodities and to the sanction of the fresh levy of octroi on oils except kerosine

I request that sanction of Government may be kindly obtained in the matter

I have the honor to be,
